

A-1 SCUBA & TRAVEL AQUATICS CENTER INC. LEARNING AGREEMENT

Welcome to your scuba course! Diver training courses are meant to be fun and, like any form of learning, you'll need to invest some time and effort in reading and studying. This learning agreement is between you, A-1 Scuba & Travel Aquatics Center Inc. and the instructional staff, regarding our mutual responsibilities in this program.

INDEPENDENT STUDY - STUDENT RESPONSIBILITIES

I agree to study independently, as specified by the instructor. In general, this means that BEFORE each class session, you will need to:

- Read each chapter and complete the (6) Section Reviews. Once you've completed each section a green bar will indicate that Section Review was completed.
- View the Risk Management videos and print, sign and date the associated forms.
- Follow all course procedures as set forth by my instructor
- Ask questions about anything not understood
- Be on time and be prepared for each practical session

Please note: You will not be able to begin pool training until all of the documents have been completed, collected and reviewed for accuracy

FINAL EXAM

As required by training standards, you will be administered a written final exam during the last scheduled session at A-1.

- Before taking the final exam, you **must read and complete ALL (6) Section Reviews**. Doing so will help insure your ability to pass the final exam.
- The minimum passing score is 80%
- **Should you score less than an 80% on your final exam, a make-up exam will be necessary. The make-up exam will need to be scheduled for a later date. Before taking the make-up exam you will need to show proof of having completed all (6) Section Reviews. There is a \$35 fee for a make-up exam**

If I do not follow the points above, I understand that I may need to reschedule additional sessions, and that I'm responsible for any additional costs related to this. In scheduling and determining additional costs, A-1 Scuba & Travel Aquatics Center agrees to give every reasonable consideration to unforeseen events, such as family emergencies.

INSTRUCTOR/STAFF RESPONSIBILITIES

The course instructor and staff agree to:

- Start the class as scheduled
- Provide a positive learning environment
- Answer your questions to the best of our ability
- Assist you through any course challenges
- Provide opportunities for additional training

Because people learn skills at different rates, the course is student-centered and performance-based, not time-based. Should it be necessary to add additional sessions, an additional fee will be assessed.
